COMMISSIONER'S REPORT.

The Commissioners of the County of Carroll herewith submit their annual report for the year ending May 1st, 1890, together with the reports of the other county officers as by law prescribed.

FINANCIAL CONDITION OF THE COUNTY.

The County debt on May 1st, 1890, is as follows:

Bonds at 6 per cent.,	\$ 9,100 00
“ “ 4 “ “	40,000 00
Interest on Bonds,	557 86
Call Notes at 4 per cent.,	8,420 00
Interest on Notes,	131 98
Bills outstanding (estimated),	250 00
	<hr/>
	\$58,459 84

The County has assets as follows:

County Farm and Buildings,	\$20,000 00
Personal Property at the Farm,	5,785 14
Cash in hands of Treasurer,	6,762 49
Due from Town of Chatham on Tax,	412 62
Due from Town of Ossipee on account of Mary A. Burtwell inquest,	204 66

The debt less cash in Treasury and cash due from Chatham and Ossipee, is \$51,080 07, and the reduction of the debt for the year is \$9,260 25.

The \$200 00 reported due the county in 1889 from fines and costs is still due and is now non-collectible as the party owing the most of it is now dead. Consequently we drop it from the list of assets.

There has been laid out at the County Jail and Alms house, agreeable to a vote of the county delegation as suggested by Dr. Irving A. Watson of the State Board of Health, \$1,038 66 which makes a much needed improvement.

The change in the law at the last session of the Legislature relative to the settlement of paupers threw a very heavy burden upon the county. There were established upon the county under the above law within a very few weeks, paupers which were costing the several towns in the county rising \$200 00

per month at the time the law came into effect (Aug. 14, 1889) which has somewhat increased the expenses both in support of the paupers and services of County Commissioners. The County Alms house has been for the past year, as for five years last past, under the efficient Superintendence of Mr. and Mrs. Jacob Manson very much to the credit of the county and satisfaction of the County Commissioners.

JACOB MANSON, Deputy Jailor,

PHYSICIANS REPORT.

TO THE COMMISSIONERS OF THE COUNTY OF CARROLL :

As physicians to Carroll County Alms house we submit our report for the year ending April 20, 1890.

During the year there has been a large amount of sickness ; and while this alms house may not have been so unfortunate as some similar institutions, still the mortality has been unusual, from unavoidable causes, among which we would mention Influenza, and the fact that several persons about to die have been brought to the farm during the year. The first to die of Pneumonia for a period of ten years were those having this disease as a sequel to La Grippe. No diseases having their origin in filth have appeared.

It affords us pleasure to note the untiring care and faithful nursing as well as the perfect cleanliness with which the house is kept.

Yours very respectfully,

M. A. HARMON.

GEO. M. ATWOOD.
